Dear Friends:

It gives me great pleasure to extend my warmest greetings to all who have gathered for the Victory Outreach International *World Conference*.

Since its inception, Victory Outreach International has dedicated itself to assisting inner city communities suffering from gang violence and substance abuse. By supporting recovery homes, it has provided valuable second chance opportunities to gang members, former addicts and others who seek to overcome difficult circumstances. There is no doubt that its efforts will continue to benefit countless individuals and families for years to come.

As your United States Senator representing the State of California, I applaud Victory Outreach International for their tremendous achievements and contributions. Please accept my best wishes for a most memorable event.

With warmest personal regards.

Sincerely yours,
