

GOVERNOR ARNOLD SCHWARZENEGGER

August 8, 2005

*Victory Outreach International*

On behalf of all Californians, I am pleased to offer my greetings as you gather in Long Beach for your 2005 World Conference.

America is a land of golden dreams with boundless opportunities for those who work hard to achieve their goals. This conference brings together thousands of individuals whose commitment and determination have helped them triumph in the face of adversity.

I commend Victory Outreach for your efforts to partner with community and spiritual leaders to address the problems of drug abuse and help people overcome addiction. Your collaboration with advocates from the private sector, government and faith-based communities underscores the importance of prevention and treatment. Thank you for working hard to ensure a bright, healthy future for all people.

Please accept my best wishes for every continued success.

Sincerely,
