July 30, 2007

Maria and I are pleased to offer our congratulations and appreciation as you gather to celebrate your fortieth anniversary.

California is proud to be home to organizations like yours that seek to lift the burdens of others. What began as a small gathering in Los Angeles has blossomed into a vast congregation that blesses lives throughout the world.

I applaud each of you – especially your founders, Sonny and Julie Arguinzoni – for your efforts to bolster faith, strengthen families and help individuals overcome the obstacles in their lives. Thank you for reaching out to those in need wherever and whoever they are.

Please accept my best wishes for a memorable celebration and every continued success.

Sincerely,

A handwritten signature in black ink, reading "Arnold Schwarzenegger".
