If you are a minor your talent release form must be signed by a parent or legal guardian ahead of time and brought to the studio while attending the live taping. Under 18 must be accompanied by an adult. All guests that are 18 years of age or older must show valid photo ID with proof of age. Please note that you are not permitted to bring any audio or video recording devices (including cameras), sharp objects or mace/pepper spray into the studio. Cell phones with cameras are permitted in the studio. On occasion, we may ask audience members to stay after the show for an additional taped segment or promo.

Special Needs/Individuals with Disabilities

We are committed to making G.A.N.G. Life TV equally accessible to persons with disabilities. If you or anyone in your party has special needs and requires assistance to attend the show, please let us know when you call to book your tickets or before the show date. We provide accessible seating (including companion seating) and other accommodations at all tapings to persons with disabilities.

The availability of accessible seating cannot be assured if the number of audience members requiring accessible seating on any given taping day exceeds the allotted number of seats. Accordingly, accessible seating may be reserved prior to the taping date by calling at (909)599-4437 ext. 235. Reservations for accessible seating will be held and guaranteed until the scheduled arrival time.

If you do not arrive by the scheduled arrival time, we can no longer hold your reservation for accessible seating and you will be placed on standby status. Any remaining, unreserved accessible seating will be available only on a first-come, first-served basis and may be released after 9:00 am for the first taping and 11:30 am for the second taping to standby guests who do not require such seating. Therefore, we strongly recommend that you reserve accessible seating in advance and ensure that you have checked in by the arrival time stated above.

Dress Code

You are probably wondering what to wear? PLEASE DRESS APPROPRIATELY!! We recommend TRENDY ATTIRE—think Solid-colored, G.A.N.G. gear etc. Color is a MUST!!! Please stay away from white, beige, sequins and stripes clothing, as it does not show up well on camera. Please DO NOT WEAR SHORTS. Because everyone will be on camera at some point throughout the entire taping, it is important to adhere to these guidelines. Please be aware that the producer has the right to deny entrance to anyone dressed inappropriately in producer's sole discretion.

Cancellation/Rescheduling

If you have a reservation for a taping and need to reschedule or cancel that reservation, please call (909)599-4437 ext. 235. Please note that production has the right to cancel or reschedule tapings and/or ticket reservations at any time and for any reason.
