Sonny Arguinzoni, Sr.,

Congratulations on celebrating 50 years in ministry.

God is using your organization in a great way to fulfill His purposes for the Kingdom. Thanks for being an example of what matters most—transforming our world by changing lives for Christ. There are many people who will spend eternity in heaven because your live-in recovery homes have reached out to the lost.

I'm encouraged by the incredible sense of hope, energy, and joy you're experiencing by discovering what God put us on the planet to do. God will continue to use Victory Outreach International to make a difference as you live a life of purpose and inspire others to do the same.

I'm praying God continues to bless your outreach program!
