

Congratulations and Happy 80th Birthday to a very special man of God! Sonny Arguinzoni has been a dear friend for years, and is deeply appreciated by myself, my wife Carol and The Brooklyn Tabernacle Congregation. His personal testimony of salvation through Jesus Christ along with decades of powerful, faithful service for the gospel have touched untold numbers of people. Thank you Sonny for remaining true to the vision Jesus gave you many years ago.

With deep appreciation,
Pastor Jim and Carol Cymbala
