the LOCATION

Each region will alternate & host the meetings in one of the local church's. The region will provide (food, icebreaker, worship (acoustic) and run pulpit (get to know you for the region). And celebrate each church.

**GROWING
TOGETHER**

the Atmosphere

Safe, confidential, and intimate (non-Churchie) environment. By creating a Livingroom setting in our church sanctuaries where its comfortable and relaxed. Leaving room for questions and answers.

GROWING
TOGETHER

the time

You can meet monthly or quarterly according to the Multi Regional. It's suggested that you begin by meeting monthly, which was very effective in the building of relationships.
